

♦FOUNDRY DECK Technician Pass You passed your Technician exam on the first try. A club member mutters 'back in my day it was harder.' EFFECT +2 Cred	♦FOUNDRY DECK General Upgrade You upgraded to General class. The Elmers grudgingly nod. EFFECT +3 Cred	♦FOUNDRY DECK The Baofeng You bought a UV-5R for \$28. A member calls it 'a toy' loudly enough for the whole room. EFFECT -1 Cred, +1 Watt
♦FOUNDRY DECK Correct Programming You programmed your radio's memory channels correctly on the first try. Everyone is suspicious. EFFECT +2 Cred	♦FOUNDRY DECK Callsign Envy You get a decent 2x3 callsign in the vanity lottery. A Gary wanted that one. EFFECT +2 Cred	♦FOUNDRY DECK Study Group No-Show You skip the VE test prep session to work a double shift. Nobody notices you weren't there. You still pass. EFFECT No effect
♦FOUNDRY DECK The Manual You actually read the ARRL Handbook cover to cover. You now understand roughly 40% of what Gary #3 says. EFFECT +1 Cred	♦FOUNDRY DECK Field Strength Meter You buy a cheap SWR meter and immediately misuse it. EFFECT -2 Watts	♦FOUNDRY DECK License Plate You get a ham radio license plate before you've made a single contact. This is considered premature. EFFECT -1 Cred

FOUNDRY DECK Extra Class Attempt You attempt the Extra exam early out of spite. You fail the math section. EFFECT -1 Cred, lose a turn	FOUNDRY DECK Hand-Me-Down Rig A retiring member gives you his old Kenwood 'because you seem serious about this.' EFFECT +3 Watts, +2 Cred	FOUNDRY DECK The Wrong Antenna You buy a CB antenna by mistake and mount it before anyone stops you. EFFECT -2 Cred
FOUNDRY DECK First QSO You make your very first contact. Your hands are shaking. It goes fine. EFFECT +2 Cred	FOUNDRY DECK License Framed You frame your license and hang it in the shack. Endearing, or deeply unserious. Depends who you ask. EFFECT No effect	FOUNDRY DECK Overheard Advice An Elmer explains grounding to you for eleven straight minutes. You retain none of it, but you nod a lot. EFFECT +1 Cred
FOUNDRY DECK Cheap Coax You run 100 feet of the cheapest coax you could find. Your signal report reflects this. EFFECT -2 Watts	SHACK DECK Antenna Too Short Your antenna is 'too short' according to Gary #3. He will explain optimal element length all meeting. EFFECT Lose a turn	SHACK DECK The Dipole Kit You build your own dipole from a kit and it actually resonates. EFFECT +4 Cred, +1 Watt

SHACK DECK HOA Letter Your HOA sends a strongly worded letter about your antenna's 'visual impact.' EFFECT -5 Watts or remove antenna	SHACK DECK Ground Rod Day You spend a Saturday pounding ground rods. Your back will never be the same. Noise floor drops beautifully. EFFECT +3 Cred	SHACK DECK Mystery RF Your neighbor's baby monitor picks up your transmissions. Now it's a whole HOA conversation. EFFECT -3 Cred
SHACK DECK Attic Antenna You sneak an antenna into your attic. Nobody outside can see it. You feel like a spy. EFFECT +2 Cred, +1 Watt	SHACK DECK Tower Envy A member's 60-foot tower goes up next door. You will never compete with this. Stop trying. EFFECT No effect	SHACK DECK Shack Flood A pipe bursts near your shack. Your logbook survives. Your rig does not. EFFECT -4 Watts
SHACK DECK Homebrew Success You build a working antenna tuner from scrap parts and a coffee can. Literally. EFFECT +3 Cred	SHACK DECK The Linear Amp You buy a used linear amplifier off a swap net. It works, but it hums ominously. EFFECT -6 Watts, +2 Cred	SHACK DECK Wire Everywhere You string wire antennas through three trees in your yard. Your roommate has Opinions. EFFECT +2 Cred, -1 Watt

♣ SHACK DECK Static Discharge You forget to disconnect during a storm. Nothing bad happens, but three people lecture you anyway. EFFECT -1 Cred	♣ SHACK DECK Solder Fumes You spend a weekend building a kit radio. It works on the third try. EFFECT +3 Cred	♣ SHACK DECK Borrowed Rotor You borrow an antenna rotor. Its owner will remind you about it at every meeting until returned. EFFECT +1 Watt, -1 Cred until returned
♣ SHACK DECK Perfect SWR You get a 1.1:1 SWR reading on the first tune. A small crowd gathers to witness this miracle. EFFECT +3 Cred	♣ SHACK DECK The J-Pole You build a J-pole from PVC and copper wire for under \$15. It outperforms rigs ten times its price. EFFECT +4 Cred, +1 Watt	♣ NET DECK Wrong Sign-Off You said 'over and out.' This is not correct procedure and everyone on frequency knows it. EFFECT -2 Cred
♣ NET DECK DX Contact You work a station in Antarctica during a rare activation. Two Elmers now respect you, reluctantly. EFFECT +5 Cred	♣ NET DECK Mystery RF Bleed Someone's rig is bleeding RF into the whole net. It's not you. Everyone assumes it's you anyway. EFFECT -1 Cred	♣ NET DECK Good Signal Report You get a 5x9 report from a station 800 miles away on 5 watts. EFFECT +3 Cred

♦NET DECK Doubling You key up at the exact same moment as another station. The resulting noise offends everyone. EFFECT Lose a turn	♦NET DECK Net Control You're asked to run net control for the evening. You do a surprisingly good job. EFFECT +4 Cred	♦NET DECK Phonetic Fumble You use 'A as in Apple' instead of proper phonetics. A retired military member visibly flinches. EFFECT -1 Cred
♦NET DECK Rare Grid Square You activate a rare grid square during a contest. Your callsign gets spotted everywhere. EFFECT +4 Cred	♦NET DECK Dead Air You forget to unmute and talk for thirty seconds to silence. 'You're not keyed up, dear.' EFFECT -2 Cred	♦NET DECK Late Check-In You check into the weekly net five minutes late during roll call. Net control makes a Comment. EFFECT -1 Cred
♦NET DECK Emergency Drill You participate in a simulated emergency net and actually follow proper traffic-handling procedure. EFFECT +3 Cred	♦NET DECK The Ragchew You get pulled into a 45-minute conversation about someone's gutter repair. You cannot exit. EFFECT Lose a turn	♦NET DECK Contest Weekend You stay up until 3am chasing contacts. You gain a callsign notch and a caffeine dependency. EFFECT +3 Cred, -1 Watt

♦ NET DECK Kerchunking You accidentally key up the repeater without saying anything, twice. A voice sighs: 'kerchunker.' EFFECT -2 Cred	♦ NET DECK New Voice Welcome An Elmer actually welcomes you warmly on air and explains local nets without condescension. EFFECT +2 Cred	♦ NET DECK Split Frequency Confusion You call a DX station on their transmit frequency instead of listening frequency. Groans ensue. EFFECT -2 Cred
♦ REPEATER WARS DECK Schedule Change Proposal You suggest changing net time for people with actual jobs. This does not go over well. EFFECT -3 Cred	♦ REPEATER WARS DECK Repeater Repair You volunteer to fix the club's ancient repeater controller. It works better than in a decade. EFFECT +6 Cred, +2 Watts	♦ REPEATER WARS DECK CW vs Real Radio A feud breaks out over whether CW is 'real radio.' You are forced to pick a side. EFFECT -1 Cred (either side)
♦ REPEATER WARS DECK Coordinator Dispute Two members argue for forty minutes about coordination paperwork from 1994. EFFECT Lose a turn	♦ REPEATER WARS DECK New Blood Committee You're voted onto the 'attracting younger members' committee. You're the only example on it. EFFECT +2 Cred	♦ REPEATER WARS DECK Digital Modes Uprising You champion adding FT8 to club activities. Half the club revolts. The other half agrees quietly. EFFECT Net +1 Cred

♠ REPEATER WARS DECK Bylaws Meeting A three-hour meeting is held to amend one sentence of the bylaws. Nothing is resolved. EFFECT Lose a turn	♠ REPEATER WARS DECK Repeater Trustee Election You run for repeater trustee against a man who's held the post since 1988. EFFECT Spin: win +5 Cred / lose -2 Cred	♠ REPEATER WARS DECK Budget Surplus The club has unexpected surplus funds. You propose a new antenna. It's approved. EFFECT +4 Watts
♠ REPEATER WARS DECK Silent Feud Two members haven't spoken since a 2003 tower-permit dispute. You get triangulated into it. EFFECT -2 Cred	♠ REPEATER WARS DECK New Member Drive Success Your outreach idea actually brings in three new members. You're a hero for one meeting. EFFECT +5 Cred	♠ REPEATER WARS DECK The Coffee Fund Scandal Someone is accused of skimming the coffee fund. It is nine dollars. This will last months. EFFECT Lose a turn
♠ REPEATER WARS DECK Club Callsign Custody You're granted trustee status of the club callsign. Bigger deal than it sounds. EFFECT +4 Cred	♠ REPEATER WARS DECK Antenna Farm Vote The club votes on a shared antenna farm site. You lobby hard for a good spot. EFFECT Spin: even +3 Cred / odd -1 Cred	♠ REPEATER WARS DECK Newsletter Editor You accidentally volunteer to edit the newsletter by asking one clarifying question. EFFECT +2 Cred/turn held, -1 Watt

REPEATER WARS DECK The Generational Handoff An old-timer quietly hands you the repeater site keys 'for after we're gone.' EFFECT +6 Cred	ELMER DECK You Explain Grounding You catch yourself explaining proper grounding to a new member for eleven straight minutes. EFFECT +2 Cred	ELMER DECK The New Kid A 24-year-old shows up with a Baofeng and asks a basic question. You almost call it 'a toy.' You don't. EFFECT +3 Cred
ELMER DECK Elmer of the Year You're nominated for the club's mentor award for actually being nice to new hams. EFFECT +5 Cred	ELMER DECK Grouch Relapse Someone asks why the net starts at 7pm sharp and you deliver a monologue nobody asked for. EFFECT -1 Cred (worth it)	ELMER DECK Field Day Legend Your generator setup becomes the stuff of club legend. People bring it up for years. EFFECT +4 Cred
SPECIAL SPACE The Coffee Pot Free space. No mechanical effect. You must listen to a story about 1987. Non-optional in spirit. EFFECT No effect	SPECIAL SPACE Field Day All players camp together for one turn. Best generator setup: bonus. Forgot sunscreen: lose a turn. EFFECT See rules	SPECIAL SPACE The Silent Key A somber space. Remove a peg from an opponent's memory, no penalty to them. Everyone is nice. EFFECT See rules
